Messrs. A. J. Nystrom & Company,
623 S. Wabash Avenue,
Chicago, Illinois.

Dear Sirs:-

Your letter of the 29th reached me this morning, and I have forwarded it to Dr. George F. Kunz, the Chairman of the Joan of Arc Committee, who has charge of the photograph you desire. I have talked with him on the phone and he promised to locate it for you. I regret that this is the best I have been able to do to meet your need - the photograph in question left our hands several months ago.

Yours very truly,

Secretary.
